

**Examples 1 to 5 : Identify the mistakes made, if any, while showing dimensions in the figures shown in column (a) of table below. Redraw the figures and correct the dimensioning.**

**Solution :** In Table below, column (a) shows the given figure with wrong dimensioning, column (b) shows the wrong dimensioning marked by 'X', and column (c) shows the corrected dimensioning marked by '✓'.

Given Figure (Wrong dimensioning) Column (a)	Wrong dimensioning marked as 'X' Column (b)	Correct Dimensioning Column (c)
<div> <div>1</div> </div>	<div> </div>	<div> </div>
<div> <div>2</div> </div>	<div> </div>	<div> </div>
<div> <div>3</div> </div>	<div> </div>	<div> </div>
<div> <div>4</div> </div>	<div> </div>	<div> </div>
<div> <div>5</div> </div>	<div> </div>	<div> </div>
